Educational History

- 2005 / 2009: I am currently following a **Master's degree in Software Engineering** at the Graduate School of Engineering of the University of Tours: Polytech'Tours.
Including one semester at the International Faculty of Engineering of Lodz (Poland)
- 2004 / 2005: **Academic Diploma of Technology in Computer Science.** (French DUT)
Grade: Good, with the congratulations of the examiners.
- 2002 / 2004: **Higher Technician Diploma in management-related Computing.** (French BTS)

Work Experience

- **Ostral Pty. Ltd**, Sydney (Australia). Internship from June to September 2007 :
 - ✓ **Flash development / Action Script**: I had to design an **interactive** website, available online on <http://www.orbweaver.com.au>
 - ✓ **Database design**: I worked in a team on a customized **CRM** Intranet project for the company. This project dealt with PHP/MySQL development.
 - ✓ **Project management**: I had to schedule and assign resources link to a website project.
- **MeetTheWorld.org**, Summer 2006:
 - ✓ I have spent 2 months in **NYC** in order to meet host-families and find job & internships offers for the launching of a new service on the organization's brand-new website.
- **Aramys (Computing & Engineering Services Company)**, Arras, France:
 - ✓ Internship from June to August 2005:
 - ✓ I was asked to design a complete database using **SQL Server** and then to develop an Extranet Portal using **Microsoft Visual Studio 2005** and the ASP .NET technology.
- **MeetTheWorld.org**, year 2005:
 - ✓ I co-organized a trip to **London** for 70 students of my university. I had to manage enrolments and payments, bookings for the hotel & the coach company... We also had to organize some activities in London: shopping, team games, and so on...
 - ✓ I developed with a friend the **website** of my non-profit organization, using **PHP & a MySQL database**. The aim of this website is to enable users to chat and perhaps organize linguistic exchanges between them.
- **Française de Mécanique**, IT Department:
 - ✓ Located in the north of France, Française de Mécanique manufactures motors, spare parts and components for the automobile industry, and employs about 4000 people. I had to design an Intranet Application able to manage work accidents. I developed the application using the **ASP J#** language, and a **SQL Server** database. I also created a

website for small-ads publishing. Finally, I had to set up a network administration tool called “**Quota Manager**”.

Computing Skills

- **Programming Languages** C#, Java, Visual Basic, C, C++, SQL
- **Web-Oriented Languages** ASP.NET, J2EE, PHP, XHTML, CSS, JavaScript
- **Modeling Methods** MERISE, UML
- **Development IDEs** Visual Studio .NET 2008, NetBeans, Eclipse
- **Database Management Systems**... Microsoft Access, SQL Server, MySQL, PostgreSQL
- **Computing** Word, Excel, PowerPoint (Microsoft Office 2007)
- **Networking** Hardware configuration, Client-Server Applications
- **Operating Systems** Windows XP/Vista, 2003/2008 Server, Linux Mandriva

Attended IT programs & events

- **Microsoft Student Partners** Member of the program since December 2005: organization of events in my engineering school, focus on Microsoft brand-new products...
- **Microsoft TechDays '07, '08, '09** ... I attended conferences and represented the MSP program on the Microsoft stand.
- **TechEd 2006, Barcelona** I attended conferences and the IT Forum
- **MIX 2006, Paris** I attended conferences about Internet technologies

Foreign Languages

- Self-assessment:
 - ✓ **English:**
 - Fluent
 - Business / Information Technology related English : Advanced
 - TOEIC Test : 980 points (on 990)
 - ✓ **German, Polish:**
 - Basic User
- Linguistic Trips :
 - ✓ **EF International Language School** of Santa Barbara, CA, USA. (I spent 1 month from August to September 2004)
 - ✓ **New York, summer 2006**. 2 months in a host-family.
 - ✓ **Sydney, summer 2007**. Internship at Ostral Pty. Ltd. (see above)
 - ✓ **West-coast USA, summer 2008**. 1 month across California, Utah, Arizona and Nevada.
 - ✓ **New York, Philadelphia, Washington DC**, spring 2009. Organization of a linguistic trip for students of my engineering school.
